

Bloxam Burnett & Olliver Ltd

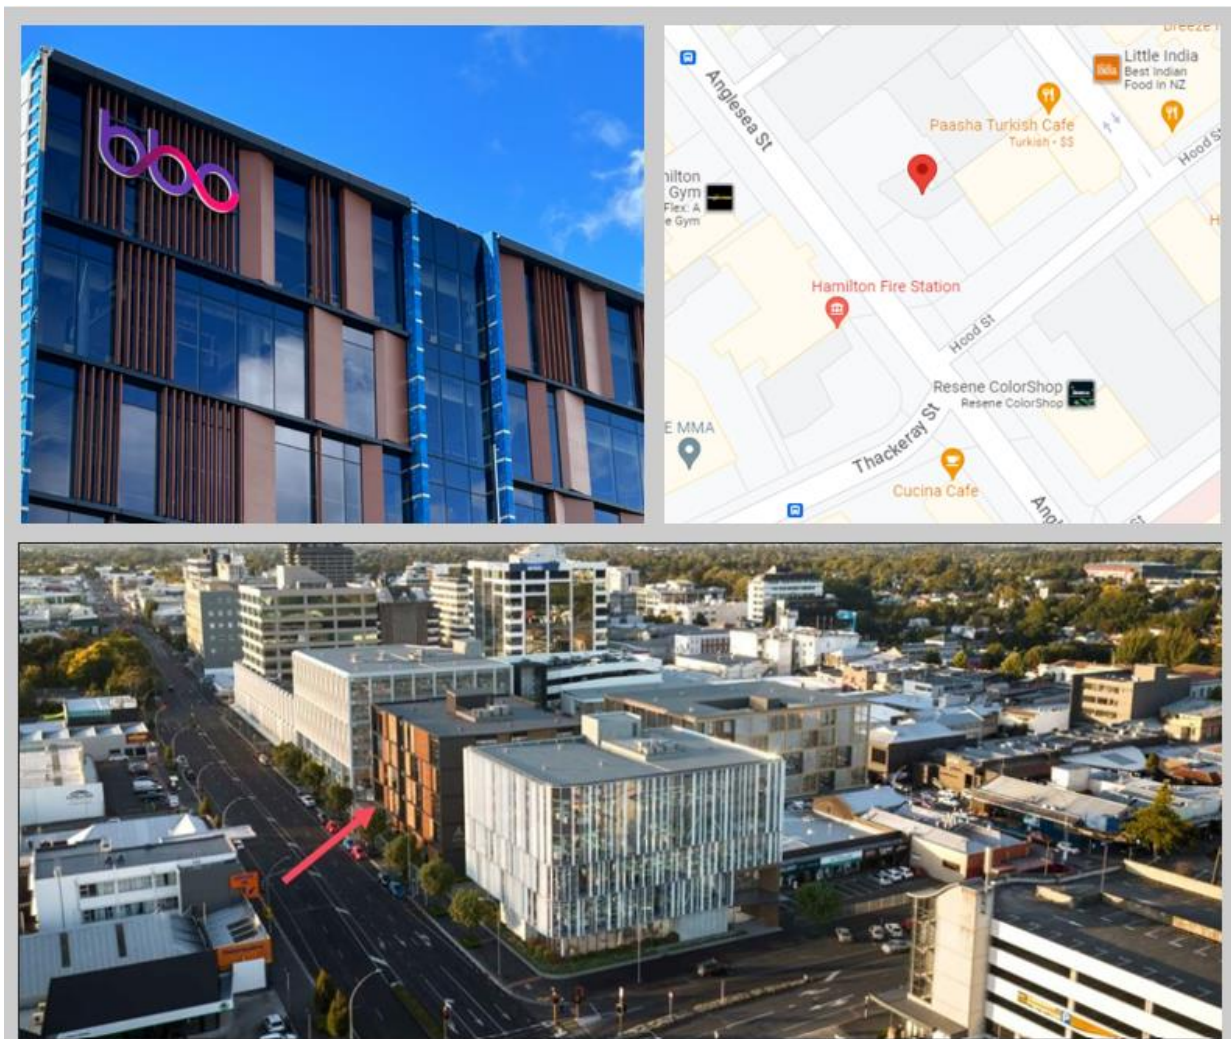

Hamilton office relocation

We are thrilled to announce that the Hamilton team of Bloxam Burnett & Olliver Ltd (BBO) has moved to a brand-new office space in the heart of Hamilton's Central Business District. So make a note of our new address – we can't wait to see you on **Level 5, Building E, Union Square, [192 Anglesea Street](#)**.

This move marks a second significant milestone for BBO. Our first milestone was achieving 30 years in business in 2023 – it's a proud moment! The second milestone is BBO's Hamilton office relocation which reflects our growth, and ongoing commitment to exceptional client relationships (old and new). Our new office space has been specifically chosen to align with our values, ensuring that we continue to meet and exceed your expectations.

Where to find us

Our new office at Union Square, Anglesea Street, is located opposite the Hamilton Fire Station and is positioned next to the newly constructed Rabobank building on the corner of Anglesea and Hood Streets.

Parking made easy

We understand the importance of your time at BBO, and part of achieving this is knowing just where to park your vehicle when you visit us. With that in mind, we have provided convenient and dedicated visitor parking at Building A, Union Square, [55 Alexandra Street](#).

A parking spot will need to be pre-booked specifically for you (before your visit to us). Simply email us at receptiondesk@bbo.co.nz and one of our friendly team will arrange this for you. It's quick and easy, and parking operates on a number plate recognition system.

Looking forward to welcoming you

We can't wait to welcome you to our new location and share the benefits of our inspiring and modern office space.

If you have any questions regarding our move or any other matter, feel free to reach out to us. As always, the team at BBO is here to help in any way we can.
