

Civil Design Engineers & Design Managers

- Diverse mix of infrastructure projects
- Join a high performing consultancy
- Flexibility to tailor a role to your interests and strengths

If you're looking for an enjoyable team environment where people are grounded and resourceful, collaborate and support each other, plus have a genuine desire to do right by the clients they serve, then BBO could be the right place for you.

BBO is an employee-owned consulting firm with offices in Hamilton and Tauranga. We collaborate with councils and government agencies, property developers and other consultants to provide services in engineering (infrastructure, site observation, structures, water resources, traffic and transportation), planning and land development. Despite our relatively small size, we compete with major national and international consultants for significant projects and have developed a strong reputation for delivery. This comes down to the expertise of our team, plus the strength of our relationships and collaboration.

With the significant infrastructure development occurring in Waikato and Bay of Plenty, BBO is recruiting Civil Design Engineers at all levels of experience.

Design Manager/Project Technical Lead - Lead technical development of projects and manage design delivery to achieve project outcomes. You'll work closely with colleagues, clients, and contractors, and be an integral member of cross-organisation and internal project delivery teams. This includes providing mentorship and technical direction, oversight to members of the Civil team. Location - Hamilton.

Senior (6+ years), Intermediate (3-5 years), and Graduate (1-3 years) Civil Designers - Deliver effective design solutions for land development, roading and highways projects. The design work will be varied from site layout and concept design, through preliminary design for consenting to detailed design of new infrastructure and infrastructure improvements. Location flexible - Hamilton or Tauranga.

All applications and employment enquiries are forwarded to our outsourced recruitment provider, Peak Recruitment, to be reviewed on behalf of BBO.
