

BLOXAM BURNETT & OLLIVER

## Intermediate & Senior Planners

- Positions available in Tauranga & Hamilton
- Diverse mix of planning work
- An outcome driven organisation who reward success

Bloxam Burnett & Olliver is an employee owned consultancy based in Hamilton and Tauranga with a staff of 85. We get involved in an exciting range of projects throughout the Waikato, Bay of Plenty and Central North Island including infrastructure (e.g. highway consenting and construction, wind farm development), aggregate extraction, urban renewal, land subdivision and development, and planning advice to regional and district council clients. Our company is small enough to offer a friendly and supportive environment while large enough to get involved in a great variety of challenging and interesting resource management projects.

To meet increasing demand for its services, BBO is recruiting Senior and Intermediate Planners in Tauranga and Hamilton.

### The Challenge

- Take a lead or supporting role in providing advice to clients and preparing resource consent applications, plan change requests, designations/notices of requirement, outline plans etc. typically associated with highway, land and other developments.
- Work with engineers, scientists and other technical specialists on assessments of environmental effects.
- Contribute to the review/development of policies in district and regional plans, working closely with Council clients.
- Advise clients and provide practical assistance in support of effective community engagement and consultation.
- Prepare and present expert-witness evidence when required.
- Lead or support the delivery of projects and provide excellent service to clients.

### Your Skills

- Have a tertiary qualification in resource management planning or a similar related qualification and experience working in the resource management profession.
- For Senior Planner position, have 5+ years of related experience and be a full member of the New Zealand Planning Institute (or working toward it).
- For Intermediate Planner position, have 3-5 years' experience in the planning field.
- Strong report writing and excellent communication and relationship skills.

If you're looking for varied and interesting work and a friendly environment, and you take pride in your work and like being able to get on with it and deliver, then we want to hear from you.

All applications and employment enquiries are forwarded to our outsourced recruitment provider, Peak Recruitment, to be reviewed on behalf of BBO.
