

- Diverse mix of projects & plenty of day-to-day variety
- Work with a grounded, collaborative, resourceful team
- Oversee construction on roading, highways, land development projects

If you're looking for an enjoyable team environment where people are grounded and resourceful, collaborate and support each other, plus have a genuine desire to do right by the clients they serve, then BBO could be the right place for you.

BBO is an employee-owned consulting firm with offices in Hamilton and Tauranga. We collaborate with councils and government agencies, property developers and other consultants to provide services in engineering (infrastructure, site observation, structures, water resources, traffic and transportation), planning and land development. Despite our relatively small size, we compete with major national and international consultants for significant projects and have developed a strong reputation for delivery. This comes down to the expertise of our team, plus the strength of our relationships and collaboration.

With significant civil infrastructure projects underway and in the pipeline, BBO is expanding its Construction Monitoring team and looking to employ an experienced Site Engineer.

The Challenge

- Site representative on roading, highways and land development projects.
- Provide technical input and work closely with the contractor to anticipate and resolve technical issues and risk.
- Be the client's point of contact, inspecting and reporting on health, safety, environment, quality, programme, budget and any exception issues.
- Administer the contract on a day-to-day basis.

Your Skills

- Hold a Civil Engineering qualification and have at least 5 years' related experience gained in a NZ contracting or consulting firm.
- Passionate and proactive to deliver successful projects.
- Excellent communication skills & enjoy working in highly collaborative way.

All applications and employment enquiries are forwarded to our outsourced recruitment provider, Peak Recruitment, to be reviewed on behalf of BBO.
