

BLOXAM BURNETT & OLLIVER

Structural Design Draftsperson

- Excellent career opportunity
- Broaden and develop your 3D skills
- Bridge and heavy structure documentation

If you're looking for an enjoyable team environment where people are grounded and resourceful, collaborate and support each other, plus have a genuine desire to do right by the clients they serve, then Bloxam, Burnett and Olliver (BBO) could be the right place for you.

BBO is multi-discipline consulting firm with offices in Hamilton and Tauranga. We collaborate with councils and government agencies, property developers and other consultants to provide services in engineering (infrastructure, construction monitoring, structures, water resources, traffic and transportation), planning and land development. Despite our relatively small size, we compete with major national and international consultants for significant projects and have developed a strong reputation for delivery. This comes down to the expertise of our team, plus the strength of our relationships and collaboration.

BBO is on the look-out for a Structural Draftsperson who holds a Civil Engineering Diploma, has a learning attitude and is a team player to join its Hamilton office.

The Challenge

- Contribute to the successful delivery of the structural components of projects, including bridges and a range of structures ranging from wind turbine foundations to industrial structures.
- Produce quality, fit-for-purpose drawings, and project documentation.
- Work closely with Civil and Structural Engineers, Designers, and other project team members to deliver to project requirements and timeframes.
- Develop skills in estimating and scheduling.

Your Skills

- Hold a New Zealand Civil Diploma or Drafting qualification and have a minimum 1 -2 years of appropriate Drafting experience.
- Skilled in 12D and experience in document control, issue of drawings, or interested in developing those skills.
- Proactive approach to information sharing.
- Excellent communication skills, a learning attitude, and keen to work collaboratively in a team environment where complementary skills are appreciated and utilised to mutual advantage.

All applications and employment enquiries are forwarded to our outsourced recruitment provider, Peak Recruitment, to be reviewed on behalf of BBO.
